## Hot Water Bottles.

We don't claim that the Eskimo uses a hot water bottle but he would if we were running a drug store in Greenland; because we would call his attention to our complete line of these goods at bottom prices. We are liable to have some Arctic weather this winter—cold enough to make people think they're on an iceberg. It will be a good time then to think of our hot water bottles.

## MARIETTA DAILY LEADER

MONDAY, NOV. 30, 1896

## PERSONAL AND LOCAL.

—Mr. and Mrs. Clarence Gardner, of Columbus, have been for several days guests of Mr. and Mrs. R. J. M. Danley and other friends in the county.

—Mr. Bernard Congdon, of this city, was seriously injured Friday night near Newport while unloading oil well casing from the steamer Barnsdall. He fell with a piece of casing and was badly bruised about the head and neck, being rendered unconscious. He was brought home on the Ren Har Saturday.

—Mr. Morgan Pearl and Miss Lurinda Weyrich, a West Virginia couple on marriage bent, procured a license in this city Saturday and were united in the holy bonds in the office of the Probate Judge by Rev. A. D. McCormick.

—Capt. Asa Booth, now of the United States army boat Woodruff, came back on his boat yesterday from New Cumberland, where he went a day or two ago to remove a sunken barge, and will lay over here till Monday. Captain Booth says he will retire from the river, and is particularly glad to end his long period of service on the inland waters on such a fine craft as the Woodruff. He has never had an accident in all the thirty-seven years of his river career. He speaks in the highest terms of Captain Christian, of the Woodruff, and his crew, and says they are entirely competent for the very responsible service exacted of them. Everybody in Wheeling will rejoice at Captain Booth's success in the oil business. He will pay a visit to his big well on Monday.—Wheeling Register.

—J. W. Henderhan and Chas. Nelson leave this week for Colorado, where they have secured employment.

—Messrs. C. S. Dana, R. C. Dawes and A. D. Alderman have been appointed as delegates by the Board of Trade to attend the meeting of the State Board of Commerce, at Columbus, December 9th.

—The Marietta Manufacturing Company has purchased a fine team of heavy draught horses from Mr. Bay, of Cumberland.

—Mr. Doug. Daniels died Saturday morning at his home on Greene street, near Fourth, after an illness of considerable length, of dropsy. He was 60 years of age and leaves a wife and two children. The funeral occurred Sunday.

—Deputy U. S. Marshal Mason and Special Deputy W. T. Harness leave today for Columbus with three prisoners from the county jail who will be tried for violation of the internal revenue laws.

—The six-months-old daughter of Mr. and Mrs. George B. Sparling, of Veto, died Sunday night of stomach trouble. Funeral Monday afternoon.

—Mr. and Mrs. A. R. White of Parkersburg, spent Sunday in the city.

—Mr. Eph Wells, one of the solid men of Sistersville, was in the city Sunday.

—Mr. J. H. Harper, of Reinersville, Morgan county, is in the city.

—Capt. R. H. Lee, the well known operator of the Macksburg field, is in the city on business.

—Mr. George Lightner, a former citizen of this city, died Sunday morning at Willow Island, where he had been staying with relatives. His death was due to diseases incident to old age. The remains will arrive on the steamer Barnsdall today and will be interred in Oak Grove cemetery.

—The steamer Virginia passed down from Pittsburgh Sunday with a heavy trip of freight. The Lorena also arrived down on good time and left for Zanesville.

—Mr. A. W. Shope, an oil producer from the Pennsylvania field, has removed with his family to this city and will reside on Wooster street.

—The Ohio is still rising despite the cold snap and a "barge stage" is looked for.

—Harmar Lodge No. 390, F. and A. M., will meet Tuesday for work in the first and second degrees.

—Mr. Life Davis has resumed his duties as chief clerk at the Bellevue after a vacation of a month spent in Indiana.

—Messrs. J. P. Bradley and E. O. Secomb, of Boston, are in the city looking after their interests in the Eight Mile oil field. It is a fact not generally known that Mr. Bradley, together with Col. Bosworth and others of this city, was one of the pioneers in the oil development of the New Marietta.

It was the opening up of the Gracey field six or seven years ago that marked the beginning of the new oil movement as distinguished from the old Cow Run development and Mr. Bradley was one of the most active in that most profitable piece of work.

—The Cecilia Club will hold its first meeting for this winter with Miss Cutler, this Monday afternoon. A miscellaneous programme will be rendered.

—The next meeting of the Junior Club will be held Monday evening, December 7th, at the College House, Fifth street, with Mr. Donaghio as host. Mrs. George M. Cooke will read an article from the August Arena on "Club Life vs. Home Life".

—Messrs. A. T. Barrett and Henry Keller, of Parkersburg, were in the city Sunday.

—De Leon's Comedians closed a week's profitable business at the Auditorium with "Sidewalks of New York" Saturday evening. There is not a great deal to be said for the company from an artistic standpoint, but there is not room for much kicking on a 30-cent show, and the continued good business was evidence that they pleased the larger portion of their audiences at least.

—The funeral of Charles Cisler, who died of heart disease at Macksburg, took place in that village Saturday.

—The decomposed body of Bayne Mathews, who was drowned here several weeks ago, was found at Portland, Ohio, and brought home for burial Saturday.

—The promised cold wave struck us Saturday night and was thankfully received on account of its moderation. It was naturally felt considerably by the folks who ran around Thanksgiving Day with their summer clothes on, but still our share of the Western blizzard was a very moderate one indeed, when the situation during the past few days in the Northwest is carefully enquired into.

For instance, on Thanksgiving Day, at Battleford, N. W. T., it registered 26 degrees below zero, Calgary 20 below, Edmonton 16 below, Medicine Hat 16 below, Que Appelle 10 below, and so on. At many points in the Western States, on Friday, the thermometer ranged from five below zero to zero, and there was from one to two feet of snow over hundreds of thousands of square miles.

—The plant of the East Clayton Brick Manufacturing Company was burned at Nelsonville Saturday, with a loss of \$100,000. The plant was insured for \$25,000.

—The dead body of an unknown man was found Saturday near trestle No. 234, near Cox's Landing, on the Ohio River road. A slight scalp wound on the head was the only discoverable injury and it is the theory of the authorities that he met with foul play.

—The football game between the Marietta Juniors and Belmore High School was played on Camp Tupper Saturday and resulted in a score of 10 to 4 in favor of Marietta. The same teams will play at Belmore next Saturday.

## Cure For Headache.

As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tonic to the bowels, and few cases long resist the use of this medicine. Try it once. Fifty cents and \$1.00 at W. H. Styer's Drug Store.

## The Smugglers.

The Holmes & Wolford Company commence a three nights' engagement at the Auditorium Thursday night, opening with the sensational melodrama "The Smugglers". As the title suggests, the play deals with the lawless class who aim to rob the revenue department of the government. Steph. Lyndon, a smuggler, Jack Hardy, a revenue officer, and Edith Lyndon, a young woman who is the promised wife of one but who is in love with the other, are the principal characters of the piece. There is another character, that of Bill Hick, however repulsive it may be, that occupies a prominent position and has much to do with the unraveling of the story. The plot has a fierce love interest, a vivid romance, with plenty of comedy to offset the more sombre scenes. "The Smugglers" affords ample opportunity for scenic and mechanical effects, the company using all their own special scenery for the production. Among the novel and realistic scenic effects may be mentioned "The Smugglers' Cave", "The Revolving Prison", "The old Boat House", "Deck of the Revenue Cutter 'The Petrel'", "The Fire at Sea", "The Sinking Ship" and the beautiful "Tropical Island". All of the above scenery is carried by the company and used in each production. As this is the first appearance of the company in Marietta, on Thursday, the opening night, ladies will be admitted to the best reserved seats if accompanied by any person holding a paid 30-cent ticket. Prices will be 10, 20 and 30 cents.

## Christianizing a Chinaman.

A lady recently took into her service a Chinaman and began to Christianize him. Shortly afterward some silver spoons were missing. Then she taught him the apostles' creed and it was discovered that a valuable piece of plate had been stolen. His benefactress, loath to suspect her new convert, started in to teach him the ten commandments. By the time he was able to repeat the first commandment the scamp stole her watch. Then the philanthropic lady's son rebelled. "Mother," he exclaimed, "for heaven's sake don't teach that pig-tailed scoundrel any more or by the time you've got him to the tenth commandment he will have stolen the house and taken the cellar along with it!"

## The Discovery Saved His Life.

Mr. G. Calloway, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at W. H. Styer's Drug Store.

## HARD TO COMBAT.

The Evidence of our Senses—What Marietta People Say Is Pretty Good Proof for Marietta People.

When we see it ourselves. When our own ears hear it. When our neighbors tell it. Our friends endorse it. No better evidence can be had. It's not what people say in Maine. Or distant mutterings from California. No deceiving echoes here. Marietta talk about Marietta people. Public opinion published for the public good.

There is no proof like home proof. Home testimony at the back of every box of Doan's Kidney Pills.

Can you believe your neighbors? Read this statement made by a citizen: Mrs. C. Stufflebean, of No. 630 Third street says:—"Trouble with my kidneys extends back 7 or 8 years, the pain being mostly down in the small of the back, where it hurt to stoop over or to lift anything. I was always worse when I over exerted myself or caught cold. I was feeling quite badly when I got a box at W. H. Styer's drug store on Front street. They did not only relieve and strengthen my back and remove other symptoms of kidney trouble, but they seemed to tone my system up and make me feel physically better and stronger. I felt a good effect from their use in 3 or 4 days and have now no use for plasters of any kind since taking Doan's Kidney Pills. I have great confidence in them."

Doan's Kidney Pills, 50 cents per box. For sale by all dealers; sent by mail on receipt of price by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
